

China Insights

This book series collects and presents cutting-edge studies on various issues that have emerged during the process of China's social and economic transformation, and promotes a comprehensive understanding of the economic, political, cultural and religious aspects of contemporary China. It brings together academic endeavors by contemporary Chinese researchers in various social science and related fields that record, interpret and analyze social phenomena that are unique to Chinese society, its reforms and rapid transition. This series offers a key English-language resource for researchers and students in China studies and related subjects, as well as for general interest readers looking to better grasp today's China. The book series is a cooperation project between Springer and China Social Science Press of China.
