

## **Radical Theologies and Philosophies**

Series Editors: M. Grimshaw, M. Zbaraschuk, J. Ramey

Radical Theologies and Philosophies is a call for transformational theologies that break out of traditional locations and approaches. The rhizomic ethos of radical theologies enable the series to engage with an ever-expanding radical expression and critique of theologies that have entered or seek to enter the public sphere, arising from the continued turn to religion and especially radical theology in politics, social sciences, philosophy, theory, cultural, and literary studies. The post-theistic theology both driving and arising from these intersections is the focus of this series.
