Performance Interventions

Series Editors: B. Reynolds, E. Aston

Performance Interventions is a series of monographs and essay collections on theatre, performance, and visual culture that share an underlying commitment to the radical and political potential of the arts in our contemporary moment, or give consideration to performance and to visual culture from the past deemed crucial to a social and political present. Performance Interventions moves transversally across artistic and ideological boundaries to publish work that promotes dialogue between practitioners and academics, and interactions between performance communities, educational institutions, and academic disciplines. Editorial Advisory Board: Paul Allain Susan Bassnett Sue-Ellen Case Una Chaudhuri Patrice Pavis Martin Puchner John Rouse Rebecca Schneider
