

## **New Directions in Latino American Cultures**

Series Editors: L. Fiol-Matta, J. Quiroga

The series will publish book-length studies, essay collections, and readers on sexualities and power, queer studies and class, feminisms and race, post-coloniality and nationalism, music, media, and literature. Traditional, transcultural, theoretically savvy, and politically sharp, this series will set the stage for new directions in the changing field. We will accept well-conceived, coherent book proposals, essay collections, and readers.
