Palgrave Studies in Language, Gender and Sexuality

Series Editors: H. Sauntson, A. Jule

Language, Gender and Sexuality is a new series which highlights the role of language in understanding issues, identities and relationships in relation to genders and sexualities. The series will comprise innovative, high quality research and provides a platform for the best contemporary scholarship in the field of language, gender and sexuality. The series is interdisciplinary but takes language as its central focus. Contributions will be inclusive of both leading and emerging scholars in the field. The series is international in its scope, authorship and readership and aims to draw together theoretical and empirical work from a range of countries and contexts.
