Pure and Applied Geophysics

pageoph

Editors-in-Chief: A. Rabinovich; C.F. Braitenberg; R. Dmowska

- ▶ Long running journal, founded in 1939 as *Geofisica pura e applicata*
- ▶ Publishes peer-reviewed original scientific contributions and state-of-the-art surveys in solid earth and atmospheric sciences
- ▶ Features thought-provoking reports on active areas of current research and is a major source for publications on tsunami research
- ▶ Coverage extends to research topics in oceanic sciences
- ▶ See Instructions for Authors on the right hand side

pure and applied geophysics (pageoph), a continuation of the journal "*Geofisica pura e applicata*", publishes original scientific contributions in the fields of solid Earth, atmospheric and oceanic sciences. Regular and special issues feature thought-provoking reports on active areas of current research and state-of-the-art surveys.
