## CardioVascular and Interventional Radiology

Editor-in-Chief: K.A. Hausegger

- ▶ The journal covers cardiovascular and interventional radiology including interventional oncology and nonvascular interventions
- ▶ Offers peer-reviewed research including clinical investigations, laboratory research and brief communications
- ▶ Also includes review articles, opinions, editorials, and special invited submissions
- ▶ 96% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again

**Please note, we are currently updating the 2018 Journal Metrics.**

*CardioVascular and Interventional Radiology* publishes peer-reviewed original research work including laboratory and clinical investigations, technical notes, case reports, brief communications, and letters to the editor, as well as review articles, opinions, editorials, and special invited submissions in the field of cardiac, vascular, and interventional radiology. This is the official journal of the Cardiovascular and Interventional Radiological Society of Europe, the Japanese Society of Interventional Radiology, and the British Society of Interventional Radiology.

**CIRSE members:** please access the journal via your **CIRSE portal** <http://www.cirse.org> and login with your member login.

Impact Factor: 1.928 (2018), Journal Citation Reports®
