Seminars in Immunopathology
Editor-in-Chief: J.A. Schifferli
Editors: P.C. Arck; K.B. Elkon; P. Hasler; T. Miyazaki; E. Raz

- Single-topic issues are assembled with the help of guest editors
- Reviews of current developments are written by authors who have personally contributed to the topic
- Key references guide the reader to additional information
- 91% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again

Seminars in Immunopathology helps clinicians and pathologists keep up-to-date on developments in the field of immunopathology. Guest editors help to organize issues devoted to a single topic. Review articles, by authors who have personally contributed to the topic, summarize new developments. Key references appear at the end of each paper, to provide interested readers with additional background material.

Impact Factor: 6.437 (2017), Journal Citation Reports®
