Heart and Vessels

Editor-in-Chief: N. Hagiwara

Heart and Vessels is an English-language journal that provides a forum of original ideas, excellent methods, and fascinating techniques on cardiovascular disease fields. All papers submitted for publication are evaluated only with regard to scientific quality and relevance to the heart and vessels. Contributions from those engaged in practical medicine, as well as from those involved in basic research, are welcomed.

The publication of this journal is supported by a Grant-in-Aid from the Japan Research Promotion Society for Cardiovascular Diseases, which is gratefully acknowledged.

Impact Factor: 2.185 (2017), Journal Citation Reports®
