High Blood Pressure & Cardiovascular Prevention

Editor-in-Chief: M. Volpe

Aimed at offering an open and dynamic forum for discussing current topics not only in hypertension, but also in cardiovascular disease prevention, High Blood Pressure & Cardiovascular Prevention focuses on:

- Invited state-of-the-art reviews
- Expert commentaries on guidelines, randomized clinical trials and clinical and experimental studies on hypertension and cardiovascular disease prevention
- Statements on guidelines for hypertension and cardiovascular disease prevention
- Socio-economic issues
- Monitoring of healthcare systems
- Original scientific contributions
- Proceedings of scientific meetings
- Consensus documents and expert opinions on cardiovascular disease management and control
