Evolutionary Psychological Science

Editor-in-Chief: T.K. Shackelford

- ▶ Explores the psychological aspects of evolution and behavior in humans and non-humans
- ▶ Presents review papers as well as papers on clinical implications of an evolutionary viewpoint
- ▶ International in content, interdisciplinary in scope

This journal provides an international, interdisciplinary forum for original research papers that address evolved psychology. Spans social and life sciences, anthropology, philosophy, criminology, law and the humanities, focusing on understanding of behavior.
