Nutrire

Editor-in-Chief: M. Minicucci

- ▶ Brings together research in Nutrition and Food Science
- ▶ No article processing charge for authors
- ▶ The official journal of the Brazilian Society for Food and Nutrition

Nutrire is an inclusive journal for sound nutrition research, and publishes new evidence for clinical nutrition practice, advancing basic and experimental nutrition, and food science research. It is the official journal of the Brazilian Society for Food and Nutrition. The journal provides the foundation for improving public health through evidence-based nutritional and behavioural interventions.
