Corpus Pragmatics

International Journal of Corpus Linguistics and Pragmatics
Editor-in-Chief: J. Romero-Trillo

- A forum for research and discussion on the new linguistic discipline at the intersection of corpus linguistics and pragmatics.
- Aims to enlarge and implement current pragmatic theories that have yet to benefit from empirical corpus support.
- Offers original research papers, short research notes and occasional themed issues.

This journal offers a forum for research and discussion in the new linguistic discipline that stands at the intersection of corpus linguistics and pragmatics. The contents include original research papers, short research notes, and occasional themed issues.
