Indian Economic Review

Journal of Delhi School of Economics
Editor-in-Chief: U.B. Sinha

- Presents scholarly articles on all areas of applied and theoretical economics
- Has over the years featured the work of leading economists including Nobel laureates.

In 2017 the journal transitioned from an in-house publication to being published by Springer. Past issues of the journal are available at JSTOR.

The journal welcomes original submissions in all areas of empirical, applied and theoretical economics. All submissions will first be subject to desk review by the editors and if appropriate will be sent for peer review.

The editors of the journal may also commission policy briefs, special issues, and solicit book reviews from time to time.
