Histochemistry and Cell Biology

Senior Editor-in-Chief: J. Roth

Regional Editor: M. Schrader; D.J. Taatjes; T. Koji

- ▶ Covers localization and identification of molecular components, metabolic activities and cell biology
- ▶ Includes development of methods useful in the entire area of histochemistry and cell biology
- ▶ Official journal of the Society for Histochemistry
- ▶ 97% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again

Histochemistry and Cell Biology is devoted to the field of molecular histology and cell biology, publishing original articles dealing with the localization and identification of molecular components, metabolic activities and cell biological aspects of cells and tissues. Coverage extends to the development, application, and/or evaluation of methods and probes that can be used in the entire area of histochemistry and cell biology.

This is the official journal of the Society for Histochemistry.

Impact Factor: 2.640 (2018), Journal Citation Reports®
