International Journal of Energy and Water Resources
Editor-in-Chief: A.H. Hassani
Director-in-Chief M. Abbaspour

International Journal of Energy and Water Resources (IJEWR) is a quarterly publication affiliated to Iranian Society of Environmentalists (IRSEN) in cooperation with Islamic Azad University Science and Research Branch, which has been established for promotion of environmental knowledge qualitatively. IJEWR has an extra emphasis on high scientific quality and will choose the most qualified research works on peer reviewing. The authors should submit their papers through the Journal Online submission system. The submitted papers can be published after peer reviewing, consequent revisions and final acceptance. The policy of the Journal is to select the most qualified papers and to accelerate the overall reviewing process, so that the authors can be informed about the outcome at soonest.
