Journal of Rubber Research

Editor-in-Chief: A.H.M. Yatim

Managing Editor: V. Charlotte

The JRR is a peer-reviewed international journal covering topics of interest to all those researching and working on all aspects of rubber. The journal is devoted to natural rubber and its related sciences, publishing articles from around the world, presenting results of major research from all rubber sciences. Readers are primarily rubber scientists in academia and governmental institutions as well as people within the rubber industry fraternity.

Impact Factor: 0.229 (2017), Journal Citation Reports®
