## Surgical Endoscopy

And Other Interventional Techniques Official Journal of the Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) and European Association for Endoscopic Surgery (EAES)

Editor-in-Chief: G.B. Hanna; M.A. Talamini

- ▶ **Why publish with us**
- ▶ **Published in partnership with SAGES and EAES, we are committed to ensuring high visibility for your publication through the societies, libraries and social media. Our renowned editorial team offers expert early guidance for researchers, helping transform ideas into discoveries. Published since 1987, we're a highly ranked journal that is well-known among the surgeon community. 100% of our authors said they would definitely publish or probably publish with us again. We offer a forum for the discussion of surgical practice focusing on the gastrointestinal tract, endoscopy as applied to surgery, and the spectrum of other innovative interventional surgical techniques. Through Springer Compact agreements, authors from participating institutions can publish Open Choice at no cost to the authors.**

Impact Factor: 3.209 (2018), Journal Citation Reports®
