

Birkhäuser Advanced Texts Basler Lehrbücher

Series Editors: S.G. Krantz, S. Kumar, J. Nekovář

A series of Advanced Textbooks in Mathematics

Edited by

Steven G. Krantz, Washington University, St. Louis, USA

Shrawan Kumar, University of North Carolina at Chapel Hill, Chapel Hill, USA

Jan Nekovář, Sorbonne Université, Paris, France

This series presents, at an advanced level, introductions to some of the fields of current interest in mathematics. Starting with basic concepts, fundamental results and techniques are covered, and important applications and new developments discussed. The textbooks are suitable as an introduction for students and non-specialists, and they can also be used as background material for advanced courses and seminars.
