

## **Series in Anxiety and Related Disorders**

Series Ed.: M.M. Antony

A new series of clinically focused books reflecting the full spectrum of anxiety disorders and their current emphasis in the field of psychology. The books are geared for clinicians, researchers, and students and cover a variety of formats – texts, clinical guides, and handbooks all of which may be used as textbooks for graduate level psychology courses and clinical practica. The editor has good visibility in the area of anxiety disorders being a well-known member of APA and AABT and has co-edited the very important volume Anxiety Disorders with David Barlow, the prominent psychologist.
