

## European Child & Adolescent Psychiatry

Editor-in-Chief: J. Hebebrand

- ▶ **95% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again**

*European Child and Adolescent Psychiatry* is Europe's only peer-reviewed journal entirely devoted to child and adolescent psychiatry. It aims to further a broad understanding of psychopathology in children and adolescents. Empirical research is its foundation, and clinical relevance is its hallmark.

*European Child and Adolescent Psychiatry* welcomes in particular papers covering neuropsychiatry, cognitive neuroscience, genetics, neuroimaging, pharmacology, and related fields of interest. Contributions are encouraged from all around the world.
