People, Population Change and Policies

Lessons from the Population Policy Acceptance Study Vol. 1: Family Change

Series: European Studies of Population

- International comparative analysis of surveys on demographic change based on about 34000 interviews in 14 European countries
- Lessons drawn on what future will demographic trends bring and what will be the consequences for the family, children, equal opportunities and the ageing of the population

2008, XI, 443 p.
