Political Science and International Relations: Development and Social Change

Harcourt, Wendy (Ed.), International Institute of Social Studies, Erasmus University, The Netherlands

The Palgrave Handbook of Gender and Development

Critical Engagements in Feminist Theory and Practice

- Provides state of the art debates and research on gender and development
- Aims to open up the traditional boundaries of what is gender and development
- Unusual approach of critiquing core texts by various scholars which sets it apart from the competition
- Course potential for Gender and Women's Studies as well as Gender and Development

With original and engaging contributions, this Handbook confirms feminist scholarship in development studies as a vibrant research field. It reveals the diverse ways that feminist theory and practice inform and shape gender analysis and development policies, bridging generations of feminists from different institutions, disciplines and regions.
