

Richard Colgan

Advice to the Healer

On the Art of Caring

- Discusses both the art and the science of medicine
- Presents fascinating people from throughout medicine's history
- Speaks to the heart and soul of the healing professions

This book introduces the origins of important teachings that form the basis of medicine and related healing professions. Reinforcing the humanistic side of patient care, this book replicates the tips, anecdotes and aphorisms often related by mentors and educators to medical students, residents, and young physicians. This book provides numerous examples of best practices in the art of medicine, profiles of great healers throughout history and around the world, and stories sure to inspire any practicing healer, whether they are new to the calling or a seasoned veteran.
