Emil Artin and Helmut Hasse

The Correspondence 1923-1958**Series: Contributions in Mathematical and Computational Sciences**

- **Insight into the birth of class field theory by presenting the letters between two of its main contributors, Emil Artin and Helmut Hasse**
- **First English translation of these letters**
- **Complete coverage of the letters from 1937 until 1958**

This volume consists of the English translations of the letters exchanged between Emil Artin to Helmut Hasse written from 1921 until 1958. The letters are accompanied by extensive comments explaining the mathematical background and giving the information needed for understanding these letters. Most letters deal with class field theory and shed a light on the birth of one of its most profound results: Artin's reciprocity law.
