Social Entrepreneurship

Leveraging Economic, Political, and Cultural Dimensions

Series: International Studies in Entrepreneurship

- New three dimensional perspective combining commercial, social and humanistic dimensions of entrepreneurship
- Core focus on social entrepreneurship, its implementation and institutionalization
- Overview of the existing knowledge of the area of social entrepreneurship and route map for future research

This contributed volume features state-of-the-art research from ten different countries on implementation, institutionalization and the future prospects of social entrepreneurship. This volume aims at bringing together research that considers the context of economy, politics and cultural issues combining with the needs of social and human development. By conceptualizing the notion of social entrepreneurship and societal entrepreneurship, this volume aims to disseminate the numerous streams of research and theory of social entrepreneurship to educators, libraries, scholars, non-profit researchers, public policy makers, practitioners, undergraduate and graduate students, and any organization or person interested in staying abreast of advances in this area. It is also an important reference book for teachers, students and faculty interested in conducting research or teaching social entrepreneurship.
