Tewari, Krishnansu S, Monk, Bradley J, University of California, Irvine, CA, USA

The 21st Century Handbook of Clinical Ovarian Cancer

- A comprehensive guide on major national and international diagnosing, staging and treatment guidelines for ovarian cancer
- Easily accessible text, figures and illustrations offer practical approaches for managing and understanding ovarian cancer
- A thorough and concise book for healthcare professionals to better understand the background and development of ovarian cancer

A thorough review on ovarian cancer, treatment guidelines and emerging therapies available for the disease. The book was originally commissioned due to recent developments in therapies for ovarian cancer. This concise pocket book will review ovarian cancer's epidemiology, clinical features, diagnosis and medical management. Busy healthcare professionals will benefit from this text, which will not only cover the foundation of ovarian cancer management, but discuss up-to-date national and international treatment guidelines and upcoming therapies.
