Business and Management : Innovation/Technology Management

Bilgin, M.H., Danis, H., Demir, E., Can, U. (Eds.)

Empirical Studies on Economics of Innovation, Public Economics and Management

Proceedings of the 18th Eurasia Business and Economics Society
Conference

- Features empirical evidence on business and economics topics in Middle-East, North Africa and South Asia
- Brings together different methodological and theoretical perspectives on the state of diverse topics
- Encourages discussion on interaction of innovation, development and public economics

This volume presents selected papers from the 18th Eurasia Business and Economics Society (EBES) Conference, with major emphasis placed on highlighting the latest research developments in the economics of innovation, public economics, and management. The articles in the volume also address more specialized topics such as luxury fashion, weather derivatives, health management, islamic bonds, and life satisfaction, among others. The majority of the articles focus on phenomena observed in the Middle East and North Africa (MENA) region and South Asia, representing a unique contribution to understanding contemporary research challenges from a different perspective.
