Business and Management : Entrepreneurship

Volkmann, Christine K., Audretsch, David B. (Eds.)

Entrepreneurship Education at Universities

Learning from Twenty European Cases

- Compiles a unique case-collection of entrepreneurship education from universities across Europe
- Presents diverse examples, formats, and approaches of teaching entrepreneurship, including lessons learned
- Provides a useful tool-box for entrepreneurship coordinators, university managers, and policy makers

This volume discusses entrepreneurship education in Europe on the basis of in-depth case studies of related activities at twenty higher education institutions. Based on a model of entrepreneurship education, the analysis addresses curricular and extra-curricular teaching, as well as the institutional and stakeholder context of delivering entrepreneurship education within higher educational institutions. The book offers both insightful entrepreneurship teaching practices and a discussion of potential organizational drivers and barriers. Accordingly, it provides a valuable resource for researchers, instructors, and managers of entrepreneurship education alike.
