# The European Mayor

Political Leaders in the Changing Context of Local Democracy

Series: Urban and Regional Research International

## • The Role and Position of Political Leaders

Henry Bäck, Annick Magnier and Hubert Heinelt There are various images of the political leader in Europe's cities and towns. There is the time-honoured ceremonial mayor watching over the keys of the city. But there also is the political boss ruthlessly governing his/her 'subjects'. We might also offer the streamlined university educated professional or the - ecutive committee leader promoted to a primus inter pares after long service in a political party. With this book we aim to describe and analyse the selection, daily life, networks and values of local top political leaders in seventeen European co- tries. The empirical basis for the investigation into town halls across Europe is a survey conducted mainly in 2003 and 2004 with mayors and corresponding top local political leaders. The data covering responses from more than 2,700 lead- 1 ers constitute a unique and rich material allowing descriptions and analyses pursuing a number of lines of inquiry.
