Medical English

- Introduction to the vast topic of medical English

This book is an introduction to the vast topic of medical English. It will not only help you to improve your English, but is also an introduction to the world of medical jargon. It is intended to help health care professionals who need English for their work but do not speak the language on a day-to-day basis. It will be valuable for medical students, residents, nurses, doctors, and everybody else involved in the health care industry.
