Political Science and International Relations : International Political Economy

Schofield, N., Caballero, G., Kselman, D. (Eds.)

Advances in Political Economy

Institutions, Modelling and Empirical Analysis

- Presents latest research in the field of Political Economy
- Treats innovative topics such as case studies in institutional analysis, influence of political activists, new techniques for analyzing elections
- Companion volume to a book on Political Economy edited by Norman Schofield and Gonzalo Caballero in 2011

This book presents latest research in the field of Political Economy, dealing with the integration of economics and politics and the way institutions affect social decisions. The focus is on innovative topics such as an institutional analysis based on case studies; the influence of activists on political decisions; new techniques for analyzing elections, involving game theory and empirical methods.
