# Advances in Advertising Research X

## Multiple Touchpoints in Brand Communication

- Publication in the field of economic sciences
- Collection of essays on advertising, communication, marketing and media management
- Essays on advertising effectiveness

This book addresses challenges and opportunities in research and management related to new advertising and consumer practices in brand communications with multiple touchpoints. It specifically relates to new insights into how profitability and customer engagement are affected by multiple and very diverse consumer touchpoints in an omni-connected world. Advances in Advertising Research are published by the European Advertising Academy (EAA). This volume is a selective collection of research presented at the 17th International Conference in Advertising (ICORIA), which was held in Valencia (Spain) in June 2018. The conference gathered more than 180 participants from over 27 countries all over the world.
