Contemporary Popular Music Studies

Proceedings of the International Association for the Study of Popular Music 2017

- [Studies in musicology](#)
- [The present and the future of popular music studies](#)
- [19th edition of the biennial conference of the International Association for the Study of Popular Music](#)

This is the second volume in the series that documents the 19th edition of the biennial conference of the International Association for the Study of Popular Music. The volume contains contributions on the variety of musical genres from all over the world. Authors engage with the role of popular music in contemporary music education, as well as definitions and conceptualizations of the notion of 'popular' in different contexts. Other issues discussed in this volume include methodologies, the structure and interpretations of popular music scenes, genres and repertoires, approaches to education in this area, popular music studies outside the Anglophone world, as well as examinations of discursive and technological aspects of numerous popular music phenomena.
