Genital Cutting: Protecting Children from Medical, Cultural, and Religious Infringements

- The volume contains the most important up-to-date research on the subject
- This topic currently is being addressed by governments around the world
- Corrects widely held medical misinformation

This volume contains the proceedings of the 10th International Symposium on Circumcision, Genital Integrity, and Human Rights. Authors are international experts in their fields, and the book contains the most up-to-date information on the issue of genital cutting of infants and children from medical, legal, bioethical, and human rights perspectives.
