Innovations in Electrical and Electronic Engineering

Proceedings of ICEEE 2020

- Presents research works in the field of electrical and electronics engineering
- Results of ICEEE 2020 held in Faridabad, India during 28 – 29 February 2020
- Serves as a reference for researchers and practitioners in academia and industry

The book is a compilation of selected papers from 2020 International Conference on Electrical and Electronics Engineering (ICEEE 2020) held in National Power Training Institute HQ (Govt. of India) on February 21 – 22, 2020. The work focuses on the current development in the fields of electrical and electronics engineering like power generation, transmission and distribution, renewable energy sources and technology, power electronics and applications, robotics, artificial intelligence and IoT, control, and automation and instrumentation, electronics devices, circuits and systems, wireless and optical communication, RF and microwaves, VLSI, and signal processing. The book is beneficial for readers from both academia and industry.
