ISGW 2018 Compendium of Technical Papers

4th International Conference and Exhibition on Smart Grids and Smart
Cities

Series: Lecture Notes in Electrical Engineering

- Presents the latest findings on the Indian power sector, from both academia and industry
- Uses case studies to highlight problems in India's utilities sector
- Discusses transformation projects involving technology interventions for building smart cities, renewable energy, and power grid modernization

This book presents selected articles from India Smart Grid Week (ISGW 2018), held on March 5 to 9, 2018, at the Manekshaw Centre, New Delhi, India. It was the fourth conference and exhibition on smart grids and smart cities organized by the India Smart Grid Forum (ISGF), a Government of India public-private partnership, tasked with accelerating smart grid deployment across the country. Providing current-scenario-based updates on the Indian power sector, the book also highlights various disruptive technologies.
