Inventive Computation and Information Technologies

Proceedings of ICICIT 2020

Series: Lecture Notes in Networks and Systems

- Presents research works in the field of inventive computation and information technologies
- Discusses the results of ICICIT 2020 held in Coimbatore, India, during 24–25 September 2020
- Serves as a reference for researchers and practitioners in academia and industry

This book is a collection of best selected papers presented at the International Conference on Inventive Computation and Information Technologies (ICICIT 2020), organized during 24–25 September 2020. The book includes papers in the research area of information sciences and communication engineering. The book presents novel and innovative research results in theory, methodology and applications of communication engineering and information technologies.
