Eluvathingal D. Jemmis

A Festschrift from Theoretical Chemistry Accounts

Series: Highlights in Theoretical Chemistry

- Spin-off from the journal [Theoretical Chemistry Accounts](#)
- Now available in hardcover
- Written by experts

In this festschrift dedicated to Professor Eluvathingal D. Jemmis on the occasion of his 60th birthday, selected researchers in theoretical chemistry present research highlights on major developments in the field. Originally published in the journal *Theoretical Chemistry Accounts*, these outstanding contributions are now available in a hardcover print format. This volume will be of benefit in particular to those research groups and libraries that have chosen to have only electronic access to the journal. It also provides valuable content for all researchers in theoretical chemistry.
