Solutions to Financial Economics

Exercises on Classical and Behavioral Finance

Series: Springer Texts in Business and Economics

- **Complements the original textbook *Financial Economics* with exercises and solutions**
- **Includes an extended set of exercises to enable students to master classical and behavioral finance theory with**
- **Describes practical applications to illustrate the concepts introduced in the textbook**

This book offers a concise introduction to the field of financial economics and presents, for the first time, recent behavioral finance research findings that help to understand many puzzles in traditional finance. Tailor-made for master's and PhD students, it includes tests and exercises that enable students to keep track of their progress. Parts of the book can also be used at the bachelor level.
