History and Philosophy of Computing

Third International Conference, HaPoC 2015, Pisa, Italy, October 8-11, 2015, Revised Selected Papers

This volume constitutes the refereed post-conference proceedings of the Third International Conference on the History and Philosophy of Computing, held in Pisa, Italy in October 2015. The 18 full papers included in this volume were carefully reviewed and selected from the 30 papers presented at the conference. They cover topics ranging from the world history of computing to the role of computing in the humanities and the arts.
