## Psychology : Personality and Social Psychology

Rothman, Jay (Ed.)

# From Identity-Based Conflict to Identity-Based Cooperation

**The ARIA Approach in Theory and Practice**

- Describes concepts and practices that have been rigorously developed and tested in the field
- Provides a step-by-step understanding of how to use and adapt this model in their own practice
- Provide a user-friendly approach for both theorists and practitioners

Through proper engagement, identity-based conflict enhances and develops identity as a vehicle to promote creative collaboration between individuals, the groups they constitute and the systems they forge. This handbook describes the specific model that has been developed as well as various approaches and applications to identity-conflict used throughout the world.
