History : Historiography and Method

Cannadine, D. (Ed.)

What is History Now?

E. H. Carr's *What is History?* was originally published by Macmillan in 1961. Since then it has sold hundreds of thousands of copies throughout the world. In this book, ten internationally renowned scholars, writing from a range of historical vantage points, answer Carr's question for a new generation of historians: What does it mean to study history at the start of the Twenty-first century? This volume stands alongside Carr's classic, paying tribute to his seminal enquiry while moving the debate into new territory, to ensure its freshness and relevance for a new century of historical study.
