Douglas A. Boyd, M. Larson (Ed.)

# Oral History and Digital Humanities

Voice, Access, and Engagement

Series: Palgrave Studies in Oral History

- Boyd and Larson are key figures within the oral history community
- Contributors to the volume include some of the best-known scholars within the oral history world, including Gerald Zahavi, Sherna Gluck, and Charlie Hardy
- By covering the evolution of the field up to today, this volume takes a different tack to other books available, by distilling the broader concepts of how oral historians can best engage with technological change.

Exploring the developments that have occurred in the practice of oral history since digital audio and video became viable, this book explores various groundbreaking projects in the history of digital oral history, distilling the insights of pioneers in the field and applying them to the constantly changing electronic landscape of today.
