

Peter A. Hall, David A. Levison, Nicholas A. Wright (Eds.)

Assessment of Cell Proliferation in Clinical Practice

The only book to attempt any perspective on methods of assessing cell proliferation is published to satisfy the growing interest amongst pathologists and clinicians in areas which have for more than three decades been the preserve of experimental biologists

Softcover reprint of the original 1st ed.
1992, XVIII, 210 p. 7 illus.
