Giardino, A.P., Lyn, M.A., Giardino, E.R. (Eds.), University of Utah, Salt Lake City, UT, USA

# A Practical Guide to the Evaluation of Child Physical Abuse and Neglect

- Updates and expands on the fields from the earlier editions by including up-to-date research and issues as well as new statistics and data
- Adds chapters on maltreatment in the setting of sports teams and corporal punishment and child discipline
- Strikes a balance between theory and clinical practice pulling in evidence-based practice principles
- Uses a multidisciplinary approach to other fields

The impact of child maltreatment on victims, families, and society—from immediate medical care and legal services to long-term mental health care and law enforcement—cannot be understated. And it remains a severe problem in spite of increasing public awareness and stricter laws. To keep up with growing body of professionals staying informed on this subject, the third edition of *A Practical Guide to the Evaluation of Child Physical Abuse and Neglect* assists the reader in recognizing abuse/neglect (exclusive of sexual abuse) in children and youth, and determining its extent.
