Security Standardisation Research

4th International Conference, SSR 2018, Darmstadt, Germany, November 26-27, 2018, Proceedings

This book constitutes the refereed proceedings of the 4th International Conference on Security Standardisation Research, SSR 2018, held in Darmstadt, Germany, in November 2018. The papers cover a range of topics in the field of security standardisation research, including cryptographic evaluation, standards development, analysis with formal methods, potential future areas of standardisation, and improving existing standards.
