Intelligent Systems Design and Applications

18th International Conference on Intelligent Systems Design and Applications (ISDA 2018) held in Vellore, India, December 6-8, 2018, Volume 1

Series: **Advances in Intelligent Systems and Computing**

- Includes recent research on intelligent systems design and applications
- Presents the proceedings of the 18th International Conference on Intelligent Systems Design and Applications (ISDA 2018), which was held in Vellore, India from December 6 to 8, 2018
- Written by leading experts in the field

This book highlights recent research on Intelligent Systems and Nature Inspired Computing. It presents 212 selected papers from the 18th International Conference on Intelligent Systems Design and Applications (ISDA 2018) and the 10th World Congress on Nature and Biologically Inspired Computing (NaBIC), which was held at VIT University, India. ISDA-NaBIC 2018 was a premier conference in the field of Computational Intelligence and brought together researchers, engineers and practitioners whose work involved intelligent systems and their applications in industry and the "real world." Including contributions by authors from over 40 countries, the book offers a valuable reference guide for all researchers, students and practitioners in the fields of Computer Science and Engineering.
