The complete works of Gabrio Piola: Volume I

Commented English Translation

Series: Advanced Structured Materials

- First English translation of Piola's complete work
- Proofs the sustainability of Piola's work and his impact on modern science
- Comments of a committee of famous scientists present the work into a contemporary context

Gabrio Piola works had an enormous impact on the development of applied mathematics and continuum mechanics. An excellent scientific committee who took it upon themselves to translate his complete works. In a second step, they commented Piola's work and compared it to modern theories in mechanics in order to stress Piola's impact on modern science and proofs that he has set milestones in applied mathematics. This book presents Piola's original Italian text together with its translations and their comments. It shows impressively that Gabrio Piola's work must still be regarded as a modern theory.
