Spirituality, Sustainability, and Success

Concepts and Cases

Series: Palgrave Studies in Workplace Spirituality and Fulfillment

- Offers theoretical frameworks for spirituality and sustainability
- Includes interviews of industry professionals who have applied spirituality and sustainability in their careers and/or businesses
- Presents cases of application of spirituality and/or sustainability
- Does not assume readership acceptance of topics such as climate change or environmental sustainability

This book offers a pragmatic approach to the benefits of spirituality and sustainability for both individual and organizational success. It introduces sustainability and workplace spirituality as contemporary solutions to the challenging organizational environment. The first few chapters introduce the fundamentals of spirituality, workplace spirituality, and sustainability. The author then demonstrates how the three qualities are beneficial in achieving personal and business success. Through the combination of synthesized research summaries and case studies of individuals and organizations, this book offers readers a fresh perspective on the importance of spirituality and sustainability to organizational performance.
